Terms & Conditions

- Ubitech Solutions provides services remotely to individuals and businesses.
- Ubitech Solutions publishes the prices for all services delivered through its subscription platform. However, at any point of time, Ubitech Solutions reserves the right to change the price of these services.
- Ubitech Solutions reserves the right to offer special discounts on its services to customers from time to time.
- At all times, Ubitech Solutions expects to maintain a cordial business relationship with its customers. However, if the customer comes across as being extremely unreasonable or rude with Ubitech Solutions staff or its experts, Ubitech Solutions reserves the right to cancel the order and terminate the agreement with the customer.
- In the event of cancellation, Ubitech Solutions will forfeit any payment made by the Client.
- Customer should cooperate with Ubitech Solutions to deliver the services in a timely manner.
- In case of any delay in order fulfilment, Ubitech Solutions shall not bear the cost of any interest or penalty.
- Ubitech Solutions will be entitled to divulge the information to those who are directly concerned or as may be necessary in order to obtain certain information necessary for the performance of his obligations.
- Quoted price are relevant for the period specified in the invoice
- The Costing has been done after approximating the requirements and is subject to client's confirmation
- The quote given does not undertake any customization clause. For customization as per the requirements of the organization, a separate fee will be charged
- There will be no refund of payment in case the client wishes to cancel the order. If the client has commissioned the work, then they have to pay the balance amount even if the project is to be abandoned
- Renewal of the subscription is the client's responsibility. The company will not be responsible if the Application's subscription expires
- No other work like preparation of help, reference manual will be considered.
- The client agrees to make available as soon as is reasonably possible to Ubitech Solutions all materials required for completing the Application setup to the agreed standards and within the set deadline
- The client has to depute a single authorized person / Admin who will assist Ubitech's team in the Application's implementation & getting trained
- The Implementation timeline is given assuming there will be no delay in Client inputs, revision in specifications or design & there will no delay in the feedback
- We would be providing all technical support after the successful delivery. It includes fixing of any technical bug, implementation problems or malfunctioning
- After the implementation the Admin or the authorized person has to check and send the confirmation within one week. There after any training or extra setup will be chargeable
- Any Change requests, complaints or suggestions must be sent by email and confirmation must be taken by mail. Any changes on telephone or messenger will not be accepted
- These terms and conditions shall be governed by and construed in accordance with the Indian Laws
